Frequently Asked Questions

HOW ARE MY PROVIDER VISITS USED?

The Virtual Membership includes four hours of provider time per year, typically structured as four 60-minute visits.

- Two of these visits are reserved for essential components of your care: comprehensive lab review and your personalized Methuselah Protocol™ consultation twice a year.
- The remaining two hours are fully discretionary and may be used for additional provider time in 15- to 60-minute increments, depending on your needs and goals throughout the year

CAN I ADD AN EXECUTIVE PHYSICAL EXAM?

Yes — you have the option to add an in-person physical exam at a heavily discounted rate of \$1200 (\$3800 value). This comprehensive exam complements your virtual care by providing a hands-on assessment to support your longevity goals. [Click here](#) for more information on what is included in the Executive Physical Exam.
